The 10 Most Overrated Movies of The 21st Century

Lists are subjective, as are film awards and criticism (although criticism from respected critics has merit in that it's generally knowledgeable of film history and based on a set criterion rather than a gut reaction). Having said that, there are some films that are overrated, no matter how you look...

The 10 Most Heartbreaking Romantic Films of All Time

Romantic films do not always end well every time. As beautiful and great as they are in some moments, sometimes the story leads us to a very somber place toward the end of the film. With that in mind, here is a selection of 10 amazing romantic films that are heartbreaking. As usual, many things interfere in the choice of... [Read more »](#)

15 Great Sci-fi Thrillers You Shouldn't Miss

Science fiction and thriller films have something in common – they look to amaze the audience not only with their monumental settings, but with their stimulating storytelling as well. In this regard, this list will provide some films that connect both genres through the use of symbolic and always relevant ideas. Science fiction has, in its structure, an alarming sight... Martin Scorsese's contribution to the Century of Cinema series is a fascinating exploration of some of the landmarks of American cinema, as well as some of its lesser known byways.

Under chapter headings such as The Director's Dilemma or The Director as Iconoclast, Scorsese analyses the work of filmmakers as diverse as DW Griffith, FW Murnau, Sam Fuller and John Cassavetes.
